Adrián Moreno María

Ph.D. Candidate in Applied Economics

Department of Applied Economics, Universitat Autònoma de Barcelona (UAB)

adrian.moreno.maria@uab.cat | adrianmorenomaria-beep.github.io | LinkedIn

Education

Ph.D. in Applied Economics, Universitat Autònoma de Barcelona — Expected 2027

Visiting PhD Student, Cambridge Judge Business School — Sep – Dec 2025

University of Cambridge (host: Christos Genakos)

M.Sc. in Economics, Universitat de Barcelona — 2019 – 2021

Erasmus exchange, Toulouse School of Economics (2020)

B.A. in Economics, Universidad de Salamanca — 2014 – 2018

Thesis: *"Bargaining Games and Applications"* (cum laude)

Research Interests

Fields: Industrial Organization, Competition Policy, Digital Platforms and Advertising, E-commerce, Market Power

Methods: Causal Inference and Quasi-Experimental Designs, Structural Modeling and Estimation, Counterfactual Policy Analysis, Large-Scale Digital Data

Working Papers

- "The House Always Wins: Self-Preferencing After Google Shopping." (Job Market Paper) (with Néstor Duch-Brown)
- "From Brick to Click: The Competitive and Welfare Effects of Digital Retail." (with Néstor Duch-Brown)

Work in Progress

- "The Rival Next Door: Competition Across Search Advertising Formats."

Conferences and Workshops

2026: 51st Symposium of the Spanish Economic Association (Las Palmas de Gran Canaria, Spain; forthcoming), XL Jornadas de Economía Industrial (Málaga, Spain), 53rd EARIE Annual Conference (Mannheim, Germany), 4th Milan PhD Economics Workshop (Bocconi University, Milan, Italy), 14th PhD-Student Workshop on Industrial and Public Economics (Reus, Spain)

2025: 50th Symposium of the Spanish Economic Association (Barcelona, Spain)

2024: XXXVIII Jornadas de Economía Industrial (Seville, Spain), 51st EARIE Annual Conference (Amsterdam, Netherlands)

Research Experience

Research Assistant, Institut d'Economia de Barcelona (IEB) — 2025 – Present

- Analysis of firm performance in Catalonia.

Research Assistant, Joint Research Centre, European Commission — 2021–22, 2023–24

- Impacts of AI and other digital technologies (EU Coordinated Plan on AI).
- Economic analysis for the proposed EU regulation on short-term accommodation rentals.

- Analysis of future chip and wafer demand for the EU Chips Act (European Chips Survey).

Teaching Experience

Lecturer, Universitat Autònoma de Barcelona 2023 – Present
Associate Lecturer (Feb – Jul 2023, 2024 – Present); Substitute Lecturer (2023 – 2024)
Introduction to Economics, *Public Economics*, *International Economics*, *Economic Globalization*

Summer Schools

Empirical Models of Demand and Entry in Industrial Organization 2025
18th Advanced Summer School in Economics and Econometrics, University of Crete, Rethymno
Instructors: Frank Verboven, Christos Genakos

Market Power: Empirical Framework and Tools 2025
EARIE Summer School, Valencia
Instructor: Jan De Loecker

Empirical Models of Entry and Applications 2023
EARIE Summer School (1st edition), LUISS, Rome
Instructor: Frank Verboven

Advanced PhD Courses

- Differences-in-Differences: Recent Developments (Raquel Carrasco)
- Dynamic Structural Econometrics (Bertel Schjerning)
- Causal Machine Learning (Francesco Serti)
- Spatial Machine Learning (Katarzyna Kopczewska)
- Applied Bayesian Methods of Analysis (Ilenia Epifani)

Additional Information

Programming: Python, Stata, LaTeX

Languages: Spanish (Native), English (Advanced), Catalan (Intermediate, B1)
